WINE BY THE BOTTLE

PLEASE TAKE A LOOK OUR PRIMO WINE LIST

Italy is a kaleidoscopic country, full of different flavors and tastes breathtaking landscapes different way of living and numerous dialects.

The unique quality of this country, is the variety of different native grape varieties that are grown there: In the mid-2018, the national registry of grape varieties cataloged 517 winegrapes growing in Italy.

We hope this wine list will deliver the authentic character of each Region, and allow you not only to smell or taste the different varieties, but also to discover the unique terroir the wine is coming from.

Take a virtual tour of the Italian vineyards with our PRIMO WINE LIST
